Student Technology Contract 2019

The use of computer and other technology at PS85Q is a ***privilege with responsibility***.

•   Do not attempt to modify the appearance or operation of any technology equipment. This includes, but is not limited to, commands, copying or installing software, setting pass code locks or copying files of any type. Each one should remain in its original or teacher-set configuration.

•   Tampering with or vandalizing hardware, software, or data including keyboards and tracking ball. It is each student's responsibility to check the computer before and after use and to report problems to the teacher immediately.

•   Students may use personal headphones or use school headphones for instructional use on the computer.

•   Students will only use applications, software and programs required to complete assignments/projects and only those that have been approved by the teacher of the current class. Failure to stay "on task" may result in loss of technology privileges and/or further discipline actions. Students should not use personal or school equipment to play online or video games.

•   No food or drink is allowed near any technology.

•   Students may use the Internet only when authorized, and they must abide by the conditions of the PS85Q Internet Acceptable Use Policy.

•   A student using the Internet may visit only teacher-approved sites. Game sites are not allowed.

•   I understand that if I violate any of the rules stated above or perform any other disruptive technology-related actions I will be subject to loss of technology privileges, will receive a written referral (minor or major) and may be subject to further administrative discipline actions.
